Dryvit Outsulation partner!*

Are You Currently Bidding Brick Jobs?

NewBrick by Dryvit Can Save You Time and Money

NewBrick by Dryvit is a lightweight, insulated brick that installs like clay brick but without the need for structural elements, increasing productivity and reducing labor costs.

It's easy to achieve the look of traditional clay brick with NewBrick, thanks to:

- 16 standard colors and four standard blends
- Unlimited custom colors and blends
- Four standard textures and three standard available effects
- Unlimited custom matches
- Four sizes

[Review the NewBrick product brochure](#) to learn more about NewBrick options and advantages.

[Watch this video demo](#) to see just how fast and easy NewBrick installation is!

You can get a hands-on look at NewBrick by Dryvit at your local Robert N. Karpp yard. We carry the full line of Dryvit materials, tools, and accessories.

As always, we appreciate your business!

Robert N. Karpp
