

dryvit® 

*Robert N. Karpp is now a
Dryvit Outsulation partner!*

Dryvit's NewBrick™ is a game changing innovation in exterior wall design.

NewBrick is a lightweight, energy-efficient wall veneer that offers the look of traditional masonry while being faster and easier to install. It is:

- **Insulated** - has thermal insulation already built in for efficiency
- **Faster** - can be installed direct to nearly any solid substrate
- **Lightweight** - weighs 2.45 lbs./sq ft. before mortar
- **Durable** - does not require support elements and is easy to repair
- **Safer** - cuts and installs easily for multi-story projects
