

Increase Your Productivity with the Latest Ceiling Solutions from USG

Robert Karpp Co. partners with USG to provide you with a complete line of acoustical panels, grids, and specialty products for even the most complex projects.

[USG Mars High-NRC Acoustical Panels](#)

- More economical than fiberglass
- Easier to work with, no itch
- Impact and scratch resistant
- Excellent NRC (Up to .90 NRC)
- Non-directional, monolithic visual reduces installation time and waste

USG Donn Brand Transition Molding

- Roll-formed steel trims for creating transitions between drywall and acoustical ceilings
- One-piece acoustical wall molding with an integrated drywall taping flange
- Eliminates need to construct drywall fascias for wall molding attachment

USG Donn Brand AdvanceSpan

- Spans up to 8' with no hanger wires
- Compatible with all standard USG DX® and DXT® systems
- Ideal for healthcare, hospitality and multifamily applications with crowded plenum spaces

Robert N. Karpp Co. provides an in-store USG display, USG accessories in stock, and expert technical knowledge to assist with project design. Visit your local Robert Karpp Co. location today to check out the full line of USG Ceiling Solutions!
